## 2020 Fresh Cool Semen Breeding Contract for CBMF Hitting the Streets

Taylor River Farm, acting as agent for The Gove Family Partnership (stallion owner), herein called Breeder, do hereby agree to breed the Morgan Mare to CBMF Hitting the Streets:

Name of mare: \_\_\_\_\_ Registration Number: \_\_\_\_\_  
 Owner: \_\_\_\_\_ Address: \_\_\_\_\_  
 City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_  
 Phone Numbers: \_\_\_\_\_  
 Email: \_\_\_\_\_

The owner and Breeder agree to the following conditions:

The non-refundable breeding fee shall be \$2,500 to be paid as follows:

1. \$2,500 to be paid upon signing this agreement.

### The following applies to semen transport:

- There will be a \$350 collection fee for each shipment of semen.
- The mare owner will be billed for the actual cost of shipment of semen (express carrier) and is responsible for returning the shipping container to Taylor River Farm within five days of receipt.
- There will be a \$150 deposit for the shipping container (refundable upon return).

### The following applies to all breedings:

The breeder guarantees to the mare owner a live foal, defined as a foal that stands and nurses at three days of age. If the mare does not produce a live foal after the first breeding season, the mare owner may substitute a preapproved mare or may breed the original mare back the following year. In the unlikely event that the mare owner does not have a live foal after the second year, the mare owner may breed back a third year, again substituting a preapproved mare if desired. This will be the final year guaranteed to the mare owners. The breeding fee will not be refunded but every effort possible will be made to assist the mare owner to obtain a live foal.

The breeder is responsible for documenting all breeding dates and semen shipment dates and is responsible for filling a stallion report with the American Morgan Horse Association.

The standard breeding season begins February 1<sup>st</sup> (first) and ends June 15<sup>th</sup> (fifteenth). Breedings before or after these dates may be arranged as needed at the discretion of the Stallion owner or agent.

Upon receipt of the signed breeding contract and the \$2,500 breeding fee, the mare owner will receive a copy of this contract signed by the agent and will have a guaranteed booking to CBMF Hitting the Streets in 2019. Please note, the breeding fee may be paid by cash, check or credit card.
